## SUMMARY

MERN Full Stack Developer with experience building scalable applications using React, Node.js, Express, and MongoDB. Strong foundation in responsive UI development and API integration; proficient in leveraging AI tools to enhance productivity. Currently focused on improving problem-solving skills through structured study of data structures and algorithms in Java.

## EXPERIENCE

### Web Development Intern – Unified Mentor (Remote) (Nov 2024 – Dec 2024)

- Built a responsive portfolio website to showcase skills and projects.
- Developed a real-time chat application using Socket.IO, with backend support via AI tools.
- Gained hands-on experience in frontend and real-time application development during the internship.

## EDUCATION

- **BCA – Guru Nanak Khalsa College (Kurukshetra University) – 2nd Year (Ongoing)**
- **Class 12:** Government School (CBSE)
- **Class 10:** Private School (HBSE)

## PROJECTS

### HaveaTalk – MERN Stack Project (2025)

- Developed a full-stack real-time collaboration platform with authentication, chat, video calls, and screen sharing.
- Built from scratch in 20–25 days with 4000+ lines of code.
- Leveraged AI tools to enhance productivity.
- Technologies: MongoDB, Express, React, Node.js, Tailwind CSS.
- Deployed client and server applications on Render.
- Live: <https://haveatalk.onrender.com>

### SwiftCountries – React Frontend Project (2025)

- Displays country data (population, languages, etc.) using a public API.
- Implemented search and filtering features for improved user experience.
- Technologies: React, Tailwind CSS.
- Live: <https://swiftcountries.vercel.app/>

## SKILLS

### Technical Skills:

- Frontend: HTML, CSS, JavaScript, React, Tailwind CSS, SASS
- Backend: Node.js, Express.js
- Database: MongoDB
- MERN Stack Development (MongoDB, Express.js, React, Node.js)
- Tools: Git, GitHub, Deployment (Render, Vercel), Postman (for API testing)
- Practices: Responsive Design, API Integration, Frontend Optimization

### Soft Skills:

- Time management – Skilled at managing time to meet deadlines
- Adaptability – Adapts quickly to new environments and challenges
- Problem-solving – Proficient at identifying and solving problems
- Communication – Able to convey technical concepts to non-technical audiences

## CERTIFICATES

- **Web Development Internship Certificate – [view](#)**
- **Frontend Technology Certificate – Cutshort (2024) – [view](#)**
